**This information is intended to accompany Activity Five of History 30 Unit One Activity Guide.**

**Student Worksheet: *Assumptions and Practices To Ensure the Well-being of Canadians in the 21st Century***

Assumptions	Consequences	
How does the society "view" the land and its resources?		
Ownership aspect of the land. Who controls the resources?		
Reasons for the exploitation of the resources.		
Who determines the exploitation practices?		
How does the society view the "rights" of other peoples and societies to the resources of the land?
